

About SCM World

SCM World is the cross-industry learning community powered by the world's most influential supply chain practitioners from including companies such as Unilever, Nike, Caterpillar, Cisco, Chevron, Dell, Nestlé and General Mills. Founded in 2009 and listed in the 2015 Sunday Times Fast Track, SCM World strives to shape the future of supply chain and advance the supply chain management profession.

Membership of the SCM World community provides access to predictive, groundbreaking research as guided by an advisory board of top supply chain leaders and business schools. SCM World also delivers world-leading events, cross-industry expertise, practitioner-driven content and exclusive peer-to-peer connections.

SCM World is committed to providing insights into important industry trends and firmly believes that supply chain can have a lasting, positive impact on the world's critical issues, including universal access to healthcare, the global distribution of food and environmental sustainability.
